Dear Jeff:

Thank you so much for helping make our Time Warner Heroes banquet so successful. Your comments were right on target with the theme of our evening. And, as usual, the students were thrilled you were there – of course, we adults were, too. I think this banquet is one of the most inspirational events sponsored by our Foundation, and your contributions made it even more so.

I would be remiss if I also didn't tell you how much we appreciate your visits in our schools. Your message is one that students can't hear too often, and you make it meaningful but fun for them to hear. I hope you can come back to Cleveland County Schools again soon.

Again, thanks for speaking at the Heroes banquet. All of Cleveland County will be able to see it as it is being aired several times on the local community access channel.

Sincerely,

Dear Mr. Kerby,

There is a myriad of items we have to thank you for. We dearly appreciate your courteous, impeccable manners calling us long distance many times. We dearly appreciate you traveling to our school. We deeply appreciate the quality time you spent with our beloved students. You were so kind to give them the magazines and the toy tattoos. You have given them opportunities and memories that they will carry with them always. I am sure we have a future television producer in our student body due to your modeling your profession for them. Thanks a million for complimenting their murals. Thanks a million for putting their photographs and story on your website. We showed them their portraits on the classroom computer and they were thrilled. You gave them a very valuable and unique experience. A million thanks for all the money for our students. We are purchasing items to engender literacy and math growth, including safe, plastic compasses and tactile sponges with letters and numbers to paint with. I have also ordered plaster impregnated medical gauze, the kind physicians used to use to set casts. We will use this material to study anatomy, art, and science and to encourage future careers in art and medicine. We will also purchase books. You are encouraging children who are very underprivileged and you have given them the courage and strength to be successful. God Bless you for your warmth, kindness, generosity, and for your nurturing the cognitive and emotional growth of our students who would not have received that opportunity otherwise.

Very, very, sincerely,

Dear Mr. Johnson,

There aren't any words in any language to express our gratitude for the magnitude of what you have done for our children. A million thanks for giving our children such charismatic attention and making them laugh. We are deeply appreciative of the time you took signing autographs for each and every child with all their names. A million thanks for making our children celebrities. Their faces lit up like fireworks when they saw their portraits and story on your website. You gave our school excellent publicity and a great deal of joy. I am sure there is a future television celebrity and public speaker in the student body due to your excellent modeling. Thanks a million for giving our children memories that will last a lifetime. A million thanks, also, for all the money you gave us for our students. We have purchased instructional materials that encourage reading, math, the arts, and art and medical careers. We have money from you for helping our students who are disadvantaged and do not have enough money for a field trip or glasses or their lunch bill. The local news station did give us television coverage, as did two newspapers and a newsletter that goes to every school employee. You have given our children a unique opportunity. They were the only children in the entire school system who could say that they were on a television webpage, our county webpage, and television all at once. We sent home a newsletter to all the parents about your kindness and profound generosity. We dearly enjoyed Mr. Kerby, also, and are sending a letter to him. We have so much in common. You mentioned your brother teaches at a college in New York City. I have cousins who are graduates of NYU and Columbia University. One has his doctorate in industrial psychology and another has her medical degree in podiatry. I am sure our children will enjoy this kind of success in the future. You showed them profound kindness and attention, as well as giving them such an enormous amount of money. You have truly planted seeds in our children that will grow into higher education and success. God Bless you.

Very, very sincerely,

Dear Mr. Johnson,

As always, your visit to Salem Elementary School was a big hit with the students as well as the faculty and staff. You always seem to be able to motivate our school to make our Character Education program a big success.

Having a positive attitude is our yearlong slogan and goal for all of our students, and our entire staff as well. Your attitude is SO positive that it is bound to "rub off" on the rest of us.

Please continue to think of our school and our determination to make Good Character every bit as important as good academic performance. We look forward to having you come again next year to help us "kick-off" our program. Thank you for being so cooperative and enthusiastic and willing to visit us here at Salem School.

Sincerely,

Dear Jeff:

I wanted to thank you personally and express my gratitude for you taking time out to come and be a part of our AngelFEST 2000 program Saturday at Shiloh Baptist Church. I know you have a very busy schedule, yet you always seem to find time to serve in so many different capacities within your community. You will never know how much it meant to so many of our "angel" that some of your magnitude would take time for them. I've enclosed a print of the article that ran in Sunday mornings paper. You helped impact over 75 children that many times fall through the cracks of society and are forgotten.

This will continue to be an annual back-to-school event in Union County and hope you would consider being a part of our festivities next year.

May God continue to bless you in all your ventures.

Congratulations on being awarded one of Rock Hill School District Three's prestigious CLASP Awards this year.

Volunteerism and service-learning are important values here at Winthrop University, and it inspires our students to see such examples of volunteerism and community involvement as those recognized at the awards breakfast. Surveys indicate over half our students engage in some form of volunteer activity each year, so it is clear the community standard that your organization is helping to create in this regard is contributing to the civic engagement of a new generation as well. Please extend our congratulations to all those in your organization who participated in these special activities.

Best wishes as the new academic year begins

Dear Mr. Johnson,

On behalf of the fifth grade students, staff, and parents of Myers Park Traditional, I would like to thank you again for being the graduation speaker for our fifth grade class on May 31, 2000. That was a very special day for them, and your presence certainly added so much to the occasion.

Your remarks were very inspirational to them as they begin their middle school adventure. I especially appreciated the connection your remarks had to our emphasis on character development, especially respect, responsibility, and cooperation. It was good for our parents and students to hear that from someone away from school. Your comments on hard work, setting goals, and parental encouragement were right on target.

TO ALL EMPLOYEES,

We sincerely appreciate the outstanding support your staff of WWWB-TV have continually provided the North Carolina National Guard. We are proud of our relationship with the 100 North Carolina counties where we are located in 75 with 94 armories and we've never forgotten that our first mission is to support the local community. Without your generous contribution of our Non-Commercial Sustaining Announcements, we could not adequately man, equip and train the soldiers necessary for our local, state and federal missions.

With your help, we have maintained a force of over 10,300 soldiers throughout North Carolina who serve part-time and are committed full-time to being ready when needed. We have helped thousands of these citizen-soldiers earn a college degree, receive formal training and gain specialized skills. The National Guard is unique among Armed Services, with a dual mission to the state and nation. With lineage dating to 1636, we are proud to be American's oldest Armed Services.

We know how valuable your airtime is and we humbly appreciate the trust you've placed in us. If we can be of service to you now or in the future, please let us know.

Dear Kish,

Prudential Carolinas Realty and the Charlotte Housing Authority want to thank you and the employees of UPN46/WB55 for the Public Service Announcement and the school supplies that were donated to benefit children living in public housing. We also appreciate your help at the Distribution Party. We were able to distribute school supplies to over 1,000 school age children living in public housing neighborhoods in Charlotte on August 9, 10 and 11. There were lines with hundreds of kids and parents waiting to pick up school supplies over this three day period. We still continue to receive donations and school supplies which will help stock the School Supply Closet that provides supplies to children during the school year when needed.

Many of these children live in single parent homes with annual incomes of \$6,000 or less. We hope that you understand the difference that you have made of these children starting the first day of school. You have made an investment in their future by providing the tools that they need for an education and boosted their self-esteem.

Thank you for your participation in the Prudential Carolinas Realty 3<sup>rd</sup> Annual School Supply Drive.

Dear General Manager:

I don't usually take the time to write emails like these but I just wanted to take a moment to thank you for your stations commitment to provide nearly 24 hour daily HD programming. I am a resident of Asheboro and in the most prime area in the country to receive off air HD. On my 61" RCA HD set I receive all the signals in the Raleigh, Charlotte, and Piedmont markets. Until recently I watched WRAL for the majority of the time. Now I stay tuned to WVVW. I particularly enjoy the rebroadcast of select HDnet programming, such as the Mark Cuban show, shot at your sister WB affiliate in Dallas. And, Smallville, the show on TV that I am most dedicated to, looks outstanding in 1080i. I like that it is a digital film transfer shot in Panavision as opposed to being shot with HD cameras.

Anyway, thank you for dedication to pioneer the broadcast of HD programming in the By-State area.

Sincerely,  
Shane Kindschi  
age 24

PS If there are ever any opportunities that your station provides to the general public to visit the set of Smallville in Vancouver, I would appreciate the opportunity to take part in that if possible. I personally know many of those involved with Dawson's Creek down at Screen Gems in Wilmington, and have been involved in projects here in North Carolina, such as Hannibal, at Biltmore Estate, back in 2000, so it would be nice to visit the set of my favorite series. Unfortunately, I don't have any Canadian connections. I would appreciate any suggestions you may have.

Hi,

I purchased an HDTV almost a year ago, and receive HD signals over the air. I live in the Mooresville, NC area, and have been watching CBS, ABC, NBC offerings as available, but their HD programming is fairly limited.

I just discovered last night what WWWBDT is carrying HDNet programming, which I think is fantastic. I just wanted to let you know that I am very excited to have found this, and plan to watch this on a regular basis.

Any plans to add HDNet movies?

Please keep up your support of HD programming!

I have to say . SMALLVILLE is my FAVORITE show (yea I'm 53) but love the characters and story. It is going to premier in HD September 24 and am hoping that I will get to see it in High Definition.

Anyone know for sure?

Hi Ms Hampton,

I just wanted to congrtulate you on a job well done in creating 7th Heaven. It is certainly one of the best series Television has to offer. I just want you to continue exploring new ideas in the show and never, never end it after watching the re-run of the episode in which ruthy tries to protect her muslim friend yasmin tonight, i was so overwhelmed and happy. i just wish that we all find it in our hearts to forget and forgive and live with peace, harmony, undiscrimination and happiness three chhers to peace and to you

Hi!

I'm just a regular girl, emailing to tell you that I absolutely love 7th Heaven! It's such an interesting show and I can't wait to see the next episode. I just watched the new episode and I loved it!!!

I was just wondering, is there any way I can contact the 7th Heaven writers, producers, cast, or other people that help make the show? I would love to tell them how much I adore the show.

Thank you for any response. This is a great channel!  
Your friend,  
Cheryl

Thank you so much for Martha Stewart! This is a great program that really improves the life of my family. I am on a low fat diet and the recipe this morning with chicken and fruit is one that is sending me to the grocery store to buy mangoes and horseradish and soy sauce and limes and some of the other ingredients that I don't have at home. It sounds so goooooood.

Thanks again! It is one of the few shows that helps us really live better.

Hello,

I watched the movie that you had on today at 4pm called Jeremiah. I thoroughly enjoyed it and would like to see it again. Will you have it on again and if not is there anywhere that I could purchase a copy of this movie. It was wonderful. My husband and I have been all over town but it is nowhere to be rented. I noticed that it was done by the same people who did the Moses, Joseph and I think Jacob movies. Please help me with a answer.

Thank You, Jane M. Moss

I really love watching 7th Heaven on WB55. I watch it every week with my friends, and I look forward to new episodes. I was just wondering when or if a new one is coming out? Or is this the end of the season? Please reply because I would really love to know!

Thanks so much

Sincerely,

Cheryl

My name is Jennifer. I watch all your shows on the weekdays, but my favorite would have to be either Gilmore Girls' or Charmed. Its is great when you show Gilmore Girls' and Charmed on the same night, it's a blast. Reba is also a great fav. of the family. Keep doing what you do best.
